Pricing is available on all home sizes within the Clara, Atesa, Mapleton and Marion home ranges.

Prices exclude site costs, driveway, fencing, landscaping, timber decking. The floor plans shown on the brochure and website is based on an Aspire façade.

Site costs are site specific & will vary according to your land. For further details, speak to a New Home Advisor.

Only available on contracts signed before 30<sup>th</sup> August 2026.

Metricon reserves the right to amend or change this offer with no notice.

Prices do not include land.

Offer cannot be taken in conjunction with Freedom to Choose upgrade packs.

# FREEDOM

## **First Homeowner Grant**

The advertised prices include NSW First Homeowner Grant (\$10,000). State Government Conditions & eligibility criteria apply. For more information, please visit <https://www.nsw.gov.au/housing-and-construction/home-buying-assistance/first-home-owner-new-home-grant>.

## **FREEDOM FASTTRACK SAVINGS**

The advertised prices include the Freedom by Metricon FastTrack Savings.

Available only on CDC compliant home and land packages in Northern NSW build regions (as defined on [metricon.com.au/where-we-build](http://metricon.com.au/where-we-build)).

Excludes homes with structural variations (excludes pre drawn design options) and homes build on unsewered sites.

Any construction industry shutdown periods during December / January are not included in the advertised timeframes and may extend the advertised timeframe accordingly.

Guaranteed timeframes and applicable discounts may be altered, reduced or voided where there is a change in home design after the date of deposit, any variations made after signing of the contract, or delays in availability for Studio M or formal selections appointments. Appointments will be scheduled at the earliest available date and flexibility may be limited; it is the customer's responsibility to be available on the nominated date. Any structural changes at contract stage (including site plan changes for jobs with HSTP), or where changes require new reports or approvals from external providers, will result in a minimum four (4) week delay to site start and the discount reduced accordingly. Any requests for further variations after signing of the contract may incur fees at Metricon's discretion.

Where delays are caused by Metricon, customers will be notified and any original discounts will be retained. Metricon is not responsible for delays relating to land, including land registration, or delays caused by third parties outside of its reasonable control, including Council-related applications, authority to commence construction from your lending body, or other external approvals, which may alter or void the guaranteed timeframes and discounts outlined.

Metricon does not supply the land and is not responsible for the provision of finance or credit assistance.
